How to Get Set Up

MyRhythm on my phone in about 20 minutes. No app store needed. Tick each box as I go.

Before I start: my phone, Wi-Fi, a quiet spot, and an email address I haven't used with MyRhythm before.

Step 1 · Put MyRhythm on my phone (2 minutes)

☐ iPhone (use Safari)

1. Open myrhythmapp.com in Safari.
2. Tap Share (the square with an arrow).
3. Tap Add to Home Screen, then Add.
4. Open MyRhythm from the new icon.

I should see: The MyRhythm icon on my home screen; it opens full screen, without the Safari bar.

If it doesn't: Make sure I'm in Safari, not Chrome. Scroll down the Share list to find Add to Home Screen.

Notes: _____

☐ Android (use Chrome)

1. Open myrhythmapp.com in Chrome.
2. Tap the three dots menu (top right).
3. Tap Install app or Add to Home screen.
4. Open MyRhythm from the new icon.

I should see: The MyRhythm icon on my home screen or in my app list.

If it doesn't: Make sure I'm in Chrome. If Install isn't offered, use Add to Home screen.

Notes: _____

Step 2 · Create my account (3 minutes)

☐ Get started

1. On the front page, tap Get Started.
2. Enter my name, email and a password.
3. Confirm my email if asked, then come back to MyRhythm.

I should see: "You're in. Welcome to MyRhythm." with 3 steps listed, and Guide me and Let me explore.

If it doesn't: Check my spam folder for the email. If I land on Sign in, sign in with the same details.

Notes: _____

☐ Choose how to begin

1. Tap Guide me.
2. On "What brings you to MyRhythm?", pick the closest fit, or tap Skip and start my questions.

I should see: "A few quick questions about my day" with one orange Start my questions button.

If it doesn't: I can switch between Guide me and Let me explore at any time from the menu.

Notes: _____

Step 3 · My questions and snapshot (6 minutes)

☐ Answer the quick questions

1. Tap Start my questions.
2. Answer each one. There are no right or wrong answers.
3. At the end, open my snapshot.

I should see: My free personal snapshot with my top areas.

If it doesn't: If I stop part way, reopening MyRhythm brings me back to where I was.

Notes: _____

Step 4 · Record my first conversation (3 minutes)

☐ Memory Bridge test

1. Open Memory Bridge.
2. Tap Record and allow the microphone.
3. Say: "I'll call the dentist on Friday at 10, and Sarah will pick me up."
4. Tap stop, then Save and find my next steps.

I should see: A short summary, plus next steps such as "Call the dentist" with Friday and "Sarah" as owner.

If it doesn't: If the microphone is blocked: iPhone Settings, then Safari (or MyRhythm), then Microphone, then Allow.

Notes: _____

☐ Put it in my day

1. Tap Put these in my day (or Add to my calendar).
2. Open See my day.

I should see: The dentist call on Friday at 10.

If it doesn't: If nothing appears, write in the notes what I tapped and what I saw.

Notes: _____

Step 5 · One-tap recording (optional, 3 minutes)

☐ Tap to record

1. Open Settings, then Tap to record.
2. iPhone: follow the Back Tap steps (tap the back of the phone 3 times).
3. Android: add the Record button to my home screen.
4. Try it once.

I should see: Recording starts without opening the app first.

If it doesn't: Use the Copy my link button in Settings and follow the steps again.

Notes: _____

Step 6 · Start the testing plan

☐ Founder testing plan

1. Open Help, then Download testing plan (PDF).
2. Start with Test 1, the walkthrough on my phone.

I should see: The testing plan with 11 tests and tick boxes.

If it doesn't: Write down any screen where I wondered "what do I do here?". That's exactly what we're fixing.

Notes: _____

☐ Set-up passed Date: _____ Phone: iPhone / Android

Good to know: payments are in test mode, so nothing is charged. If something looks old, close MyRhythm fully and reopen it. MyRhythm supports everyday organisation; it does not diagnose or treat any condition.
